117 **Purpose:** This amendment does not create a new requirement but is intended to make it easier to identify the zoning ordinance’s collective requirement of minimum lot frontages along Town approved roads.

120

121 Mr. Hadik outlined the proposed change and noted this amendment is only for clarification; it does not create a new requirement. The amendment is intended to make it easier to identify the zoning ordinance collective requirement of minimum lot frontages along Town-approved roads (Class V or better). The Board discussed the definitions of a road and a highway.

125

- Voting Article 3 – Zoning Amendment 2 - 5.7.5.4 - Structure Setbacks

133

134 Mr. Hadik outlined the proposed change. The word "structure" was replaced with "building" in 2019, when Zoning Table 2 was amended.
