

Natural Landscaping for a Better Yard

A Garden for Pollinators and Wildlife

Do you want to attract butterflies, birds, bees and other wildlife to your yard? You can learn how, by making some simple changes in your yard.

NH Natural Resources Steward, Pollinator Pathways Organizing Founder and Speaking for Wildlife volunteer Vicki J. Brown will provide insights on ways to attract butterflies, bees, birds and other wildlife to your yard. Presentation includes interactive Q&A and handouts.

Saturday, March 7th 10:30 am – 11:30 am

Chester Municipal Building, Meeting Room 4

84 Chester St, Chester, NH 03036

Program sponsored by Chester Conservation Commission, Pollinator Pathways NH, and Speaking for Wildlife, a volunteer project of UNH Cooperative Extension.
