

Chester Through the Seasons

Winter Ecology at Spring Hill Farm

In conjunction with Spring Hill Farm Winter Festival

February 24, 2024

Noon – 2pm

Let's Explore Spring Hill Farm's Biodiversity!

Mammal Tracks and Other Sign

Winter Plant Identification

Winter Birds Activity

And More....

Sponsored by

Chester Conservation Commission

The Chester Conservation Commission, in partnership with Moosewood Ecological LLC, is hosting a series of seasonal nature walks in 2024 as part of its Natural Resources Inventory and Open Space Conservation Plan. These walks are free and open to the public. Please join us to learn about Chester's biodiversity and wildlife habitats. Keep a look out for other opportunities to participate in this exciting project to better understand Chester's natural resources and biodiversity.
